

“Camp Marcella”

New Jersey Camp for Blind Children, Inc.

Dear Parent/Guardian:

We are pleased to announce that plans for this summers' August camping sessions are being finalized. With other programs going on, including extended summer school sessions for many of our campers, we are currently reaching out to our returning and prospective new campers' families to establish the dates that would be most-accommodating in order to maximize attendance for this years' session. Tentative session dates at this time are: Sunday, August 6th-Saturday, August 12th; Sunday, August 13th - Saturday, August 19th.

With the success of the programs offered the past four seasons we know that this years' program will be just as exciting, innovative and fun-filled! Judging by the many comments from the past years' campers-such as: "this was one of the best camping sessions I have ever attended", "I can't wait to come back next year", "I've never had such a great time at any camp" –as well as many others, we are sure it will equal to or even more successful than in previous years! All activities provided are both recreational as well as educational!

We encourage return of the Pre-Registration Form as soon as possible, so that we can confirm the actual camping session dates.

We do look forward to having your child join us this summer, whether as a new camper or as a returning camper! Please remember to also help us "to spread the word" to other visually impaired children that you or your child may know, so that they too, can partake in the wonderful experience your child will have or has had-and will continue to have- at Camp Marcella!

Looking forward to hearing from you as well as having your child join us this summer! As always, please feel free to contact me for questions or information. I can be reached by calling: 201-709-4944 or by e-mail: ptarantino@campmarcella.org.

Sincerely,
Paula
